Netball Rules!

Learning how to play High 5, and about teamwork, was so easy and playing it with my friends is so fun. It's the best. Here are the rules so you can get your sessions started. So simple.

intro

Hi, welcome to the High 5 rulebook. It tells you everything you need to know about how to play the game.

High 5 is specifically designed for the under 11s to introduce them to netball. We've put the emphasis on getting kids to pick up key skills and experiences through flexible, fun play that includes everyone. The rules give lots of freedom around the court and give players more time to make decisions.

High 5 encourages maximum participation in every aspect of the game and even lets kids score and time-keep, as well as enjoying a taste of every position. Learning to work as a team and how to win and lose are all part of the game.

We want High 5 to be enjoyable for all involved; young players, their teachers and coaches. We know that kids enjoy learning through play and that the game empowers each individual to discover their own potential.

Thanks for taking the time to familiarise yourself with the High 5 rulebook and hope you enjoy it as much as the kids!

Positions

The players

Mixed or single sex teams, only two boys are allowed on the court at the same time with a maximum of three boys in the squad. Only five members of the squad are allowed on the court at any one time.

The court is divided into thirds and players are allowed in the following areas:

GS & GA Their own shooting third, shooting circle and centre third but not end third.

C All thirds but not in the shooting circles.

GD & GK Their opponents shooting third, shooting circle and centre third but not end third.

Scorer, Timekeeper and Centre Pass Marker

When squad members are off court they take on scoring and timekeeping roles. In squads of eight or nine, one person should also be responsible for recording and calling whose centre pass it is.

Scorer Keeps a simple score card for their own team.

Timekeeper Uses a stopwatch to time the games and indicates to the umpire when the time is up.

Centre Pass Marker Keeps a note of whose centre pass it is and indicates to the umpire after each goal is scored and at the beginning of each quarter.

Score cards and Centre Pass Marker cards are available to download from the High 5 section on the England Netball website.

Rules

Duration of the game

Matches should be 4 x 6 minutes, with two minutes at each interval. Teams should change ends at each interval.

Start of play

Team captains toss a coin to determine who takes the first Centre Pass. Subsequent centre passes must be taken alternately.

Play is started by a pass from the C, who stands with both feet in the centre circle.

At the start of play, the GS, GA, GD and GK may be anywhere in the goal third, which is part of the playing area. The opposing C shall be in the centre third and free to move.

When the umpire blows the whistle, the Centre must pass the ball within 4 seconds and obey the Footwork Rule. The ball must be caught or touched in the centre third.

Everyone must observe the 1m Distance Rule.

Footwork

- A player may receive the ball with one foot grounded or may jump to catch and land on one foot. While that landing foot remains on the ground the other foot may be moved in any direction and any number of times, pivoting on the landing foot if desired. Hopping is not allowed.
- A player may receive the ball while both feet are grounded, or may jump to catch and land on both feet simultaneously. The player may then choose to move either foot, and the remaining foot shall then be considered to be the landing foot.
- Penalty: Free Pass.

Playing the ball

A player must:

- Pass or shoot within 4 seconds.
- Obey the Footwork Rule.

A player must not:

- Deliberately kick the ball.
- Bounce the ball more than once.
- Hand or roll the ball to another player.
- Place their hands on a ball held by an opponent.
- Throw the ball while sitting/lying on the ground.
- Use the goalpost as a support in receiving a ball going out of court to gain balance.
- Throw the ball over a complete third without it being touched or caught by another player in that third.
- Regain possession of the ball, having dropped or thrown it, before it has been touched by another player.

Defending, obstruction and contact

Players must be at least 1m away from the person with the ball.

Defending the ball in a player's hand by outstretching the arms is not permitted.

One jump to intercept a throw or shot is permitted, provided the player is at least 1m away. Arms may only be raised as part of the vertical jump in an attempt to intercept the ball.

Jumping up and down in front of a player is not permitted.

Don't touch
the ball if
somebody else
is holding it!

Netball is a
non-contact
game!

Scoring a goal

A goal is scored when the ball passes completely through the ring from the top to bottom. A goal may only be scored by the GS or GA from within the shooting circle.

Out of court

A ball is out of court when it, or a player touching it, touches the ground or an object outside the court. The line counts as part of the court. A throw-in is then awarded to the opposing team. If the ball hits the post and bounces back into the court, it is still in play.

The throw-in

The throw-in is taken at the point where the ball crossed the line. Any player allowed in that part of the court may take the throw-in and must stand outside the court with both feet behind the line. When the player taking the throw-in has checked that all other players are on court, they must release the ball within four seconds.

Offside

A player is offside if they enter an area of the court in which they are not allowed.

Penalty: Free pass.

Penalties

A **free pass** is awarded to a team for any infringement of the rules i.e. footwork except obstruction and contact. A player may not shoot directly from a free pass.

A **penalty pass** or shot is awarded to a team against any player causing obstruction or contact. A player may shoot if the penalty is awarded inside the circle. The offending player must stand still beside the player taking the pass or shot. The free pass, or a penalty pass or shot, is taken from the point where the infringement occurred and may be taken by any member of the team allowed in that part of the court.

*Simply *
- a free pass is
awarded when only
one player is
involved.*

**One-to-one
marking should
be encouraged at
all times!**

NETBALL RULES!

Toss-up

The umpire takes a toss-up when two opposing players simultaneously:

- Gain possession of the ball
- Knock the ball out of the court
- Are offside with the ball
- Contact each other

Or when they are unsure about which player is responsible for an infringement or has possession of the ball when the game was stopped for injury.

The two players stand facing each other and the goal into which their team is shooting. They stand with their arms at their sides and their feet in any position, with 1m between one player's front foot and that of their opponent. The umpire flicks the ball not more than 60cm (2ft) into the air from a point midway between the players and just below shoulder level of the shorter player's normal standing position. The whistle is blown as the umpire releases the ball. The ball is now in play.
