Butterfly and Frog's Adventure

Butterfly - Frog - Tree

Story

Once upon a time there were two little friends.

One was a butterfly that loved to fly around and sit on bright colourful flowers.

And the other was a frog that loved to sit on lily pads and swim in ponds.

It was a very hot summer.

The ponds dried out and there were no lily pads or flowers for the little frog and little butterfly to sit on.

They didn't know what to do!

They needed water and food to grow and they missed their lily pads and flowers.

They came up with a plan...

They would go far, far away to find a pond with lily pads and flowers growing on its banks!

The little frog hopped and hopped and the little butterfly flew and flew.

They kept on going until they came to a beautiful green tree.

The little butterfly flew ahead and landed on a branch of the tree to have a look around.

Oh, how exciting, there was a pond with lots and lots of lily pads at the bottom of the tree and fields of flowers of all different colours as far as the little butterfly could see!

Can you think of what colours the flowers could be?

The little butterfly shouted to the little frog, "Quickly! come look!" The little frog hopped as fast as possible and hopped right onto a lily pad, and smiled.

The little butterfly flew down to the field and sat on a beautiful flower, and smiled.

Can you show me your big smiles?

The friends were so happy playing in the field and the pond and when it rained they took cover under the tree.

They went on to lived very happy lives.
