### Moves

Warrior – Aeroplane – Tree – Cat

### Story

Once upon a time there was a Warrior  
He was very strong and liked to reach for the sky and touch the ground  
The Warrior was very sad as he could not find his cat!  
He looked and looked but still could not find his cat  
He decided to look further and he ran and ran  
He came across an aeroplane and jumped aboard  
The aeroplane flew far away and landed on a beautiful island  
The warrior looked out of the window and what did he see on the beach?  
He saw a big tree blowing in the wind  
He ran out of the aeroplane and climbed up to the top of the tree  
He looked out and saw his cat far in the distance  
But while the warrior was looking out at the cat from the top of the tree which was blowing in the wind a wood chopper came along and chopped the tree down  
Luckily, the warrior is fit and strong and he manages to jump out of the falling tree and land on the ground just in time!  
He goes running and he runs and runs until he gets to his cat  
They are so happy to see each other that they dance the night away...
